b.1 Records Section

The Records Office, being the gateway of all official mails and communications and a repository of records, provides the necessary lifeline for the division, hence the need for uniform policies and procedures to define and regulate the accessibility of records and documents to end users.

- On-site Orientation/Workshop on Records Inventory, Appraisal, and Disposal was already conducted in all districts within the Division of Sultan Kudarat.

Don Juan Elementary School restrooms are cleared with the documents that are being stored by the Division Office and are now used by the school children.
