***CALL FOR PARTICIPATION IN THE WORKSHOP ON CREATIVE SPEECH
AND DYNAMICS OF THEATRE (9th Batch)***

The Center for Speech Development and the Arts through its Artistic Director, RENE DIZON NACIONALES, in partnership with the Department of Education (DepEd) is once again embarking on a Workshop on Creative Speech and Dynamics of Theatre on November 7-8, 2024 at Lutayan Municipal Gymnasium, Lutayan, Sultan Kudarat.

This activity is anchored on the convictions that the arts have an intrinsic value, which makes them indispensable in the center of every student's education; That the arts have an enduring value where in an educated society everyone has the knowledge and background that allows them to experience and enjoy throughout their lives; And that each of the values has a contribution to the cognitive, emotional, and spiritual development of all students.

School Heads of nearby schools are enjoined to inform teachers and learners (both elementary and secondary) for their voluntary participation in this workshop with a registration fee of Two Hundred to Two Hundred Fifty Pesos (P200-P250) each. Participants are responsible for their own expenses during the workshop, but such may also be charged against any school local funds.
